

# Daniel Zivetz

## Web Developer & App Builder

 Los Angeles, California |  support@westlacomputerexpert.tech |  danielzivetz.dev

I'm a passionate web developer based in Los Angeles, specializing in building modern, user-friendly web applications. From AI-powered tools to full-stack business solutions, I turn ideas into polished digital experiences. With 6+ live projects in production, I bring real-world experience and a commitment to quality.

## Technical Skills

React

JavaScript

TypeScript
